

Personal Counseling Report

The College recognizes the relationship between personal development, emotional wellness, and success in academic pursuits. The college always concentrated with students personally by our each faculty's members. They are counseling to student about various issues like personally.

- Enhancing communication skills
- Supporting diversity and cultural differences
- Exploring feelings and beliefs
- Learning new coping strategies
- Managing change in life circumstances
- Understanding personal relationships
- Inclusive conversations about sexuality and gender
- Support with academic concerns
- Learning to manage conflicts and decision making effectively
- Substance use and alcohol related concerns
- Stress management

Also college organized some program related with Personality Development, Yoga and Mediation for stress managements.
