COLLEGE DEVELOPMENT COMMITTEE (CDC)

The College Development Committee of the college, which meets at least twice during an academic year, evaluates the progress of the college on a regular basis and provides guidance and directives for constant improvement in ensuring higher standards of education in the college.

Various functions and responsibilities of the CDC are

- Prepare the budget and financial statements.
- Recommend to the management the creation of the teaching and other posts.
- Determine the program of instruction and internal evaluation and to discuss the progress of studies in the college.
- Make recommendations to the management for the improvement of the standard of teaching in the college.
- Formulate proposals of new expenditure which is not provided in the college budget.
- Advise the principal regarding the intake capacity of various programs and discuss various other matters relating to the internal management of the college.
- Consider and make recommendations on the inspection report, if any.
- Consider and make recommendations on the report of the local enquiry committee, if any.
- Prepare the annual report on the work done by committee for the year ending and submit the same to the management.
- Perform such other duties and exercise such other powers as may be and trusted by the management.
