Nutrition & health status of women in India:

On behalf of World Women Day on 08/03/2015 we conducted a guest lecture of ICDS supervisor Mrs. Karpe and MrsUrankar. They gave their lecture on importance of Nutrition for women and current status of Adolescent health. We also arranged a power point Presentation of different programmes planned and implemented by Government of India to eradicate Malnutrition of Society.

2015-16

Kishori Swasthya Programme :

Today anemia is the major problem of adolescent girls not only in India but in whole world. Condition of adolescent girls from Shirur (Ka) taluka is not different rather it's more worce. From different health tests conducted by our department from last two years we realized that there is an urgent need to implement some firm action for improvement of adolescent's health.

So we decided to implement **Rashtriya Kishore SwasthyaKaryakram** dated on 03/0/2016 in our college for junior and senior students. For implementation of this programme Dr. Ramesh Tandale MD of Shirur (Ka) and nursing officer Mrs Waghulkar, of PHC Shirur (Ka) helped us lot to provide WIFS tablets for distribution.

For implementation of this programme our Principal. Dr. P.B. Deshmane was very eager as she was very well aware of Iron deficiency and she thought this was the great opportunity to overcome this problem up to some extent. So on behalf of Sawitribai Phule Jayanti, we organised its inaugural function for which we invited PHC Officer. Dr. Sonali Sanap, Nursing officer Mrs. Waghulkar, Mrs. Megha Machale Madam and Dr. Shinde madam from KSK College Beed as chief guest.

The beneficiary group of 11th class students and students of senior college belonging to 16-19 year age group were also present. In this programme Dr. Sonali Sanap and Mrs. Waghulkar explained the importance of WIFS in adolescence period especially for girls. They also distributed tablets of IF to few students as representative of beneficiary group.

After implementation of this programme we started distributing tablets to students of junior and Senior College of 16-19 year age group. Today overall 72 girls; 46 of junior and 26 of senior college students are getting its benefit.
