

7.1.3 – Facilities in the Institution for the management of the following types of degradable and non-degradable waste

Solid Waste Management-

- For Solid Waste Management One in 72 sqft Dual Bio composting Tumbler is prepared on back side of the college.
- Vermi compost Bed is also built for Solid waste management of garden

Liquid waste Management of Laboratories-

- For Non-biodegradable waste management Vehicle of Panchayatsamiti Visits College on alternate days. We had requested to Panchayat Samiti Shirur Kasar for sending their vehicle to collect the Non-biodegradable waste from college. The waste is collected in dustbins placed in the college campus and departments and given to the vehicle at the time of arrival
