

7.1.9 Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens (within 200 words).

Response:

Empathy and charity are two important social values which every responsible citizen of the country must possess. Various events are organized throughout the year to sensitize students towards their responsibilities as citizens. All activities are collectively or individually conducted by various departments of the College and various committees such as NSS.
