### **Dnyan Vidnyan & Samaj Exhibition**

Our college conducted DnyanVidnyan&SamajPradarshan every year for development of social and scientific awareness among the students. Science has become an integral part of the modern world without which the whole societal structure risks collapse. A science & social science exhibition being an interface of science and society contribute towards creating awareness about science as well as creating enthusiasm in students. Students from all classes displayed projects / experiments successfully. The Primary section displayed models explaining water, soil, air and noise pollution. Overall the exhibition was appreciated by the entire community including the parents, teachers and the student body. This exhibition, not only honed the communication skills of students, but also polished their skills in technology and was a step forward towards their all-round development.
