Institutional policy for the award of scholarships

Kalikadevi Arts, Commerce and Science College Shirur (Kasar) has always been pleased to help the poor and needy students on campus. With the support of the Stakeholders, our library has been enriched with books for preparations of Competitive Examinations. Scholarships are awarded to students based on their Financial Circumstances, Social Backwardness and academic performance. Scholarships are prioritized for SC/ST/OBC/PWD/EWS/OPEN students as well. College makes all kinds of efforts to identify deserving students who are excluded from any kind of scholarship offered by the Government.

The college has been strictly following specific regulations to identify students for scholarships. Scholarship Committee is formed in our college to identify and resolve the problems of students related to scholarship. Students submit scholarship form after analyzed by the committee to the related scholarship section in the college.
